

Working Women's Clothes Closet

Clothing Donation Guidelines:

Your donation of interview-appropriate professional clothing is always appreciated. The most convenient entrance for donations is at the south end of the building. A bellhop's cart is available at the reception desk for your use. If you need assistance or plan to bring in a large donation, please call (616) 458-5443 to make arrangements. Women's Resource Center does not pick up clothing donations.

Donated clothing may be on hangers or bagged/boxed. Please keep packaged donations to a reasonable weight (35 lbs max.) so that you and our volunteers and staff can safely handle them. We expect clothing donations to be clean and in good repair – no stains, missing buttons or broken zippers, please.

Type of Clothing Needed:

Suits, dresses, jackets, blazers, skirts, dress slacks, blouses or shells/tanks and light-weight sweater sets and all-weather coats are needed. The Working Women's Clothes Closet is also in need of the following accessories: handbags, dress shoes, jewelry, unused makeup, scarves, accessories, bras, slips and new pantyhose and panties still in the package.

Cash donations are also appreciated and help cover the cost of supplies and closet upkeep.

Thank you for your support!
